SECRETARY OF STATE
ELECTIONS DIVISIONS

Certificate of Existence

The Veterans Party of Nevada (VPoNV) is the state level of the National Party known as The Veterans Party of America. The VPoNV was informally organized and received its EIN from the IRS as a Political Party in 2013. Over the past year it has worked hard to follow good practices and organize in the same manner as the National Party. We now have our Constitution and our By-Laws and our Executive Team.
